

International Trip Support

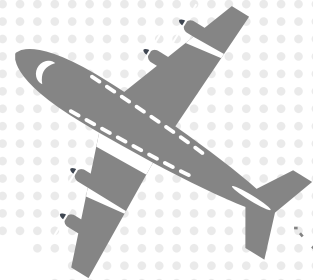

# China Any Airport... Any Time

**UAS - Your Ground Handling Agent and Supervisor  
in all airports across China**

**Explore how we can simplify your China operations today**

## **UAS China is now a one-stop shop for all aviation needs**

UAS is a domestic handling agent in China providing handling services at all business airports in the region. UAS clients can expect priority ground handling and the ease of a single point-of-contact for all trip support services at China's pivotal business aviation gateways. This recently enhanced service offering complements the dedicated ground supervision delivered by UAS station managers throughout China, as well as UAS' bespoke trip support solutions for VIP passengers and crew members.

# The only partner you need in CHINA

## UAS Global Network, China

Our dedicated, local Station Managers ensure the highest level of supervision and quality assurance for our clients at key strategic locations. In China, we have station managers with ramp access at Beijing, Shanghai and Chengdu, ready and capable of operating at any airport.

## UAS China team capabilities

- Bespoke, end-to-end solutions for VIP passengers and crew including transport and accommodation.
- On site supervision, providing passenger and crew high quality services.
- Fixed prices for all-inclusive supervision packages as well as individual services
- Extensive regional and regulatory knowledge and access through our local experts.
- The global UAS Standard of Quality guarantee.

## How you benefit

- The convenience of liaising with a single source for all your ground handling and trip support needs.
- Competitive flat prices that simplify your budget.
- English speaking personnel on hand at all times throughout your stay in China.
- Easier access, priority ground handling, and dedicated on-ramp supervision.
- Access to private parking and ability to expedite permits.
- Reduced points of contact and a simplified trip planning process.
